EduHome Project

Exchanging good practices for promoting the educational needs of homeowners in Europe

projecteduhome@gmail.com

EduHome

The Erasmus+ project "EduHome" is sharing good practices in the education of property owners in Greece, Cyprus, and Belgium.

What We Do

Webinars

UIPI in collaboration with the European University Cyprus will conduct a webinar on existing policies to support energy efficiency and energy savings in new and existing buildings. Partners from Greece will conduct 3 webinars for landlords.

Seminars

Virtual Seminar for landlords and accountants concerning rents compulsory reduction and landlords compensation due to COVID-19 pandemic

Face to Face Learning Activity

C1 Short-term joint staff training at the European University Cyprus (7-9.4.2022)
The training will be attended not only by members of the consortium but also by students of the European University of Cyprus, which is a very dynamic institution.

**Funded by
the European Union**
